

UNIVERSITY AT BUFFALO
THE STATE UNIVERSITY OF NEW YORK
DEPARTMENT OF ORAL BIOLOGY

TO: Oral Biology Ph.D. Students
FROM: Graduate Program Director
RE: Research Advisory Committee

A Ph.D. Research Advisory Committee should be appointed soon after a student selects a research mentor (major professor). This committee consists of the major professor, who acts as a chair and at least 3 additional faculty members, one of which may be from another Department of the University.

After consultation with your major professor, please complete the information below and submit to the Departmental Office for approval by the Graduate Executive Committee. Proposed changes to your committee also require approval by the Graduate Executive Committee.

.....

Student: _____ Date: _____

<u>Name</u>	<u>Department</u>
Committee members: _____	(chair) _____
